

MODULAR PLATE CARRIER

Whether you're looking for a slick minimalist set-up or a full wall locker load out, this Modular Plate Carrier is part of our fully integratable lineup of tactical accessories.

CARRIER FEATURES

- 6" x 9" inch loop for cummerbund and/or placard attachment
- 2 x 4 columns loop lined MOLLE
- 3 loop daisy chain on each side for buckle attachment or comms
- Loop lined 2" shoulder straps with removable pads
- Made with Berry Compliant Material

CARRIER SIZES

- XSmall: 8" x 11"
- Small: 8.8" x 11.8"
- Medium: 9.6" x 12.6"
- Large: 10.4" x 13.4"
- XLarge: 11" x 14"
- Holds up to 1.25" plate thickness
- 3D spacer mesh backing may accommodate thicker plates

Complete your tactical body armour with a lightweight MOLLE cummerbund. Designed for elite military and first responders, this skeleton style cummerbund completes your plate carrier system. Available in a variety of colours. Elastic cummerbund with side plate pockets available on request.

C-BUND FEATURES

- Lightweight skeletonized style with 10 columns of MOLLE
- Fits a 34"-44" waist (measured around the navel) - contact us if you require a different fit
- 1 unit includes both a left and right side piece
- Elastic Cummerbund (E-BUND) option available with 6x6 or 6x8 side plate pockets.

ADD-ON Features: Build up your ultimate chest rig for any mission

The mission dictates what you need. This Multi Mission Chest Rig (MMCR) allows you to easily customize your tac load out. Featuring dual compartments, this package includes the basics you need to create a base chest rig.

MMCR FEATURES

- 2 grommet drains on each loop Velcro-lined compartment
- Hook Velcro backing to attach to your plate carrier
- Made with 500D Cordura nylon
- Zipper and bungee mods
- Comes with split bar side release buckles for quick attach/release
- Includes 3 slot taco magazine pouch

MMCR SPECS

- Main compartment measures 9" x 5" x 1"
- Front compartment with laser cut MOLLE loop measures 9" x 4" x 1"

AVAILABLE COLORS:
